NOVEMBER 11-12, 2022

Hosted at International School of Hellerup
Rygårds Allé 131, 2900 Hellerup, Denmark

2 DAYS OF INSPIRATIONAL KEYNOTES AND WORKSHOPS

**THEMES: DESIGNING FOR ALL LEARNERS /
STUDENT AGENCY**

Hosted at International School of Hellerup

Main location: Rygaards Alle 131, Hellerup 2900 Denmark.
Approximate timings: Friday – 8:30–16:30, Saturday – 8:30–15:00

Friday morning, keynotes will take place at nearby Rygaards International School

The three main workshop leaders will facilitate sessions through Friday afternoon and Saturday and participants stay with one workshop thread through the conference

WHAT IS THE NORDIC NETWORK?

The Nordic Network is a collaborative network that serves international schools in the Nordic and Baltic regions.

Any school is welcome to join the conference.

KEYNOTES & WORKSHOP LEADERS

NOTOSH

Ewan McIntosh and his team work with people in schools, universities and companies to work better together and rethink the environment in which they learn. notosh.com

Workshop themes:

- Differentiation by design: hexagonal thinking
- Metaskills that empower students to take on more complexity
- Accelerate curriculum innovation: adopt a design cycle

BEN WARD

Leadership and Organisational Coach, who helps organisations work better to serve meaningful missions. [Find out more here](#)

Developing inner abilities to increase our impact for the world.

Ben will explore why developing inner abilities is essential to building a more sustainable and hopeful world at the personal, classroom & societal level. See: [Inner Development Goals framework](#).

JAIMIE P. CLOUD

Founder and president of the Cloud Institute for Sustainability Education in New York City.

The potential of schools and communities learning and working together toward sustainable community development

Jamie will explore the big ideas in sustainability such as Systems Thinking, Healthy Commons and Sustainable Economics

KEYNOTES & WORKSHOP LEADERS CONTINUED

NADIA ABDALLAH

Nadia Abdallah is the Chief Education and Development Officer at INJAZ Al-Arab, part of the Junior Achievement Worldwide global network.

Workshop themes:

- Student agency: What life skills can we bring into the classroom to promote student agency?
- Differentiation: How do we differentiate? How do we use student agency when differentiating?
- Technology: How do we use technology to differentiate, and give 21st century learners a voice in the classroom?

MOLLY FANNON

CEO of UN Live: where each person discovers their own agency to drive positive change and experiences belonging to a "Global We."

Unleashing the true power of young children to shape the world – NOW – and not later.
